

# Introducing OnTrack

Advanced Field Executive Staff Attendance  
and Tracking Solution

By Samtech Innovations

[www.samtechinnovations.com](http://www.samtechinnovations.com)

# OnTrack: Overview

OnTrack is a cutting-edge software solution designed to revolutionize the management of field executive staff. Leveraging the power of Laravel and Flutter technologies, OnTrack offers comprehensive features for automated attendance management and real-time employee tracking.

OnTrack is not just a software solution; it's a game-changer for organizations looking to optimize their field operations, boost productivity, and stay ahead in today's dynamic business environment

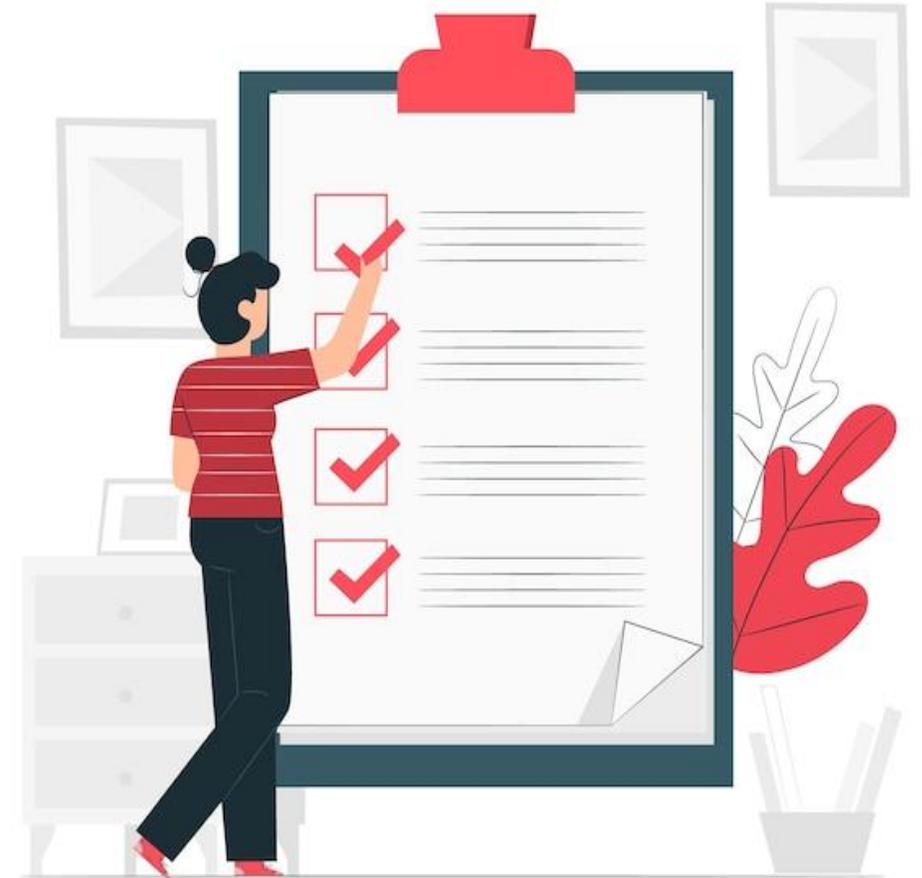

# OnTrack: Features

- ✓ **Automated Attendance and Payroll Processing:** Say goodbye to manual attendance recording. OnTrack automates the entire process, making payroll processing a breeze.
- ✓ **Attendance Verification:** Ensure accuracy and security with attendance verification using device fingerprint or PIN.
- ✓ **Client Visit Tracking:** Capture client visits with detailed photo and location information, providing invaluable insights into field operations.
- ✓ **Real-Time Employee Tracking:** Monitor your field executives in real-time with live GPS location tracking, along with insights into physical activity, WiFi, battery, and GPS status.
- ✓ **Dynamic Access Control:** Maintain control over user access with dynamic access control features for the portal.
- ✓ **Built-in Chat System:** Facilitate seamless communication among team members with a built-in chat system, eliminating the need for third-party plugins.
- ✓ **Device Verification:** Enhance security measures with automatic device verification upon login, mitigating the risk of forgery.
- ✓ **Dark Mode:** Enhance user experience with a sleek and modern dark mode interface.

# OnTrack: Benefits

- ✓ **Increased Efficiency:** Streamline attendance management and payroll processing, saving time and resources.
- ✓ **Enhanced Transparency:** Gain real-time insights into employee activities, improving transparency and accountability.
- ✓ **Improved Security:** Ensure data integrity and security with device verification and access control measures.
- ✓ **Comprehensive Management:** From team and schedule management to expense and leave management, OnTrack offers a complete solution for field staff management.

# OnTrack: How it works?

- ✓ **Admin Setup:** Admin creates employee profiles and configures settings in the admin panel.
- ✓ **Employee Registration:** Employees receive login credentials for the OnTrack mobile app.
- ✓ **Attendance Initiation:** Employees log in and mark their attendance by checking in via the app.
- ✓ **Client Visits:** Throughout the day, employees log client visits directly from the app.
- ✓ **Fingerprint Verification (Optional):** Employees can verify their identity using fingerprint scanning during check-in and check-out.
- ✓ **Real-time Sync:** All data, including attendance and client visits, syncs in real-time with the server.
- ✓ **Admin Access:** Admins monitor employee activity and view data through the admin dashboard.
- ✓ **Data Analysis:** Admins analyze data for insights into attendance patterns and client engagement.
- ✓ **Continuous Monitoring:** Admins track employee activity in real-time to ensure efficiency.
